

## Part I & Part II Architectural Assistants

Assael Architecture is looking to recruit qualified Part I & II Architectural Assistants to join our award winning practice based in London.

We are architects offering a range of urban design, masterplanning and architectural services. Operating from modern design studios in Putney, we work nationally and internationally in the residential, leisure and mixed-use sectors.

Ideally the right candidate will have:

- Excellent communication skills
- Strong drawing and presentation skills
- Comprehensive technical skills
- Knowledge of SketchUp and InDesign is essential
- Use of Vectorworks is preferable
- Consistent grades from A-Level to university
- Enthusiastic team players (we like to hear of any other interests e.g sport, music, travelling...!)

We are The Sunday Times 100 Best Small Companies to Work For, 7<sup>th</sup> in 2017, the winner of The Sunday Times British Homes Awards Architect of the Year 2016 and Building Awards Finalist for Practice of the Year 2014, 2015 and 2016.
